PILES CURED Without Knife

OR PAIN.
 SEND FOR BOOK on Diseases of the Rectum.
 Address, Dr. VANCE, Madison, Wis.
 Dr. Vance will be at the Grand on March 10th.

CHAPPED hands result from two causes. Too much alkali in the soap, which draws the natural oil from the skin, leaving it harsh, dry, and liable to crack, or the fats, from which the soap is made, are not properly combined with the alkali, so, from its greasy nature, it is impossible to rinse off the soap after washing. Prof. Leeds, Ph. D., Stevens Institution of Technology, says: "THE IVORY SOAP, while strongly cleansing, leaves the skin soft and pleasant to the touch, instead of harsh, uncomfortable, and liable to chap."

A WORD OF WARNING.
 There are many white soaps, each represented to be "just as good as the 'Ivory'!" they ARE NOT, but like all counterfeiters, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.

My good friends and neighbors: I cannot trust myself to put in words what I feel at this time. Every kind thought that is in your mind with regard to me, and in your hearts for me finds its responsive wish and thought in my mind and heart for each of you. I love this city. It has been my own chosen home. Before I left, I have left it to discharge public duties and returned to it with gladness, as I hope to do again. It is a city on whose streets the purposes of duty and of pleasure meet. It is full of pleasant homes, and in these homes there is an unusual store of contentment. The memory of your favor and kindness will always dwell in me, and my strong desire to hold your respect and confidence will strengthen me in the discharge of my new and responsible duties. Let me say farewell to all my Indiana friends. For the public hours that have come to me I am their grateful debtor. They have made the debt so large that I can never discharge it. There is a great sense of loneliness in the discharge of high public duties. The moment of decision is one of isolation. But there is One whose help comes even into the quiet chamber of judgment, and to His voice and guiding guidance will I look for direction and safety. My family unites with me in grateful thanks for this cordial good-bye, and who wish that those years of separation may be full of peace and happiness for each of you."

The speech was received with cheers. At its conclusion the General re-entered his car and the train at once proceeded.

The Departure.
 COLUMBUS, Ohio, Feb. 26.—The train pulled out of the Union station at 3:19 p. m., cheered by thousands of people. As it passed the grounds of the Deaf and Dumb Institute, just east of the city, the fences and freight cars on an adjoining track were crowded by hundreds of pupils of the school, to whom Gen. Harrison waved his hand. Turning out the seat of Butler university, turned out several hundred spectators, as did also the towns of Cambridge, Philadelphia, Greenfield, and Charlottesville. When Knightstown was reached, where is located the Soldiers' Orphans' home, the train stopped for a moment. A crowd of five or six hundred gathered about the rear platform and gave three cheers for Harrison. As the cheers died away Gen. Harrison said:

"My friends, I thank you for this cordial gathering and demonstration. I can detain the train but a moment, and I only stop at the request of the superintendent of the Soldiers' Orphans' home so that the children might have an opportunity to see me and I wish them the bright and prosperous future which the sacrifices of their fathers won for them. I bid you farewell."

A halt was made at Dunroth, the crossing of the Fort Wayne, Cincinnati & Louisville railroad, and there congratulatory messages from the Postal telegraph company and the citizens of Henry county were received. Cambridge City reached at 4:45 p. m. Here a crowd of about five hundred cheered lustily as the train stopped for a moment. The boom of cannon echoed through the train.

Richmond was reached at 5:02 p. m. Fully four thousand people cheered at the top of their voices, while cannon boomed and whistles blew, making a din that was deafening. Gen. and Mrs. Harrison appeared on the rear platform of the car, and when the tumult had partly subsided Gen. Harrison spoke as follows:

"My friends: I have so long had a sense of regret in leaving the soil of Indiana, that I am sure you will be patient with my mistakes and that you will all give me your help as citizens in my efforts to promote the best interest of your people and the honor of the nation we love. I thank you for this cordial greeting."

Among the crowd at Richmond was a delegation of workers from the Bloomington drill works, at the head of which, following the band, was borne their campaign banner, inscribed: "Hoosier Drill Protection club." As the train passed along the track out of the city it was accompanied by the screaming of whistles of factories and the boom of cannon. While the train halted a profusion of flowers were carried into the car and presented to Mrs. Harrison in the name of the Republicans of Richmond. On the way from Richmond to Columbus the city party, from Gen. Harrison to the colored porter who accompanied him to the White House, bought tickets for the trip at the regular rates of fare.

On Ohio Soil.
 The first stop in Ohio was at Greenville, which was reached at 5:43. Here another large crowd greeted the President-elect, who stepped to the rear car, but the stop was too short for speech-making.

At Fort Wayne avenue the procession left the car, started across over to Pennsylvania street, which was lined on either side the entire distance. Cheerer after cheer went up as the General passed. When Ohio street was reached the multitude was inspired by the veterans of George H. Thomas past were in line, among them being Gen. Lew Wallace and many other well known men. As the General's carriage drove up the ranks and a cheer went up from the thousands of people that was heard for many squares. From this point to the station on Washington street, through the buildings were black with people. At the intersection of Market and Pennsylvania streets the members of the Legislature were drawn up in lines and the carriages passed through the open files, the lawmakers cheering lustily. They then fell in line and escorted the General to the station. It was 3 o'clock when the party reached the city, and the crowd of fully 10,000 awaited them. The General and his party were escorted to their car.

The great throng continued cheering, and the President-elect presently appeared on the rear platform, accompanied by Gov. Hovey, who introduced him to the crowd and called out the open files, the lawmakers cheering lustily. They then fell in line and escorted the General to the station. It was 3 o'clock when the party reached the city, and the crowd of fully 10,000 awaited them. The General and his party were escorted to their car.

CHEERING THE NEW CHIEF

RECEPTION OF THE PRESIDENTIAL PARTY.

Thousands Throng the Stations to See the Coming Ruler—From Indianapolis to Washington.

INDIANAPOLIS, Ind., Feb. 26.—Many business buildings in this city were decorated Monday in honor of Gen. Harrison, and during the morning hours the throngs of the President-elect were fully occupied in saying good-bye to a host of friends who called on him at his home.

As the hour of 2 p. m. approached, the streets of the city began to fill up and Pennsylvania street was soon thronged with thousands anxious to participate in the farewell demonstration of the President-elect. A hundred or more people stood before the Harrison home at 2 p. m., when the President-elect and his family left the house escorted by Gov. Hovey and Mayor Bennett. The General, the Governor, and the Mayor entered a carriage drawn by two white horses. Mrs. Harrison and Mr. and Mrs. McKee entered a second carriage, and the entire party started on a journey to the station.

A string of carriages and a thousand or more people followed them down Delaware street to the greatest excitement prevailed along the route. In front of every residence were groups of people who cheered enthusiastically as the carriages drove by. The General constantly tipping his hat and waving his hand in farewell to some old friend whom he recognized.

Cheers for the General.
 At Fort Wayne avenue the procession left the car, started across over to Pennsylvania street, which was lined on either side the entire distance. Cheerer after cheer went up as the General passed. A crowd of five or six hundred gathered about the rear platform and gave three cheers for Harrison. As the cheers died away Gen. Harrison said:

"My friends, I thank you for this cordial gathering and demonstration. I can detain the train but a moment, and I only stop at the request of the superintendent of the Soldiers' Orphans' home so that the children might have an opportunity to see me and I wish them the bright and prosperous future which the sacrifices of their fathers won for them. I bid you farewell."

IMPORTING CITY TAILORS.

An Effort to Replace the Janesville Strikers by Men from Chicago.

Several of the New Men Taken into the Enemy's Camp—Both Sides Firm.

Neither side in the contest between the tailors and their employers has weakened up to noon to-day. One or two of the strikers had expressed themselves as willing to go back to work at the old schedule and one of the shops was offering compromise rates on certain classes of work, but on the whole the situation was about the same as last week.

The result of Mr. John M. Kniff's visit to Chicago was manifested to-day, in the appearance of two city men in Kniff & Allen's shop. "We have arranged," said Mr. Kniff, "to either have a full force of men sent to us or to have our work taken care of in the city shops."

The striking tailors insist that the plans of their former employers will not succeed, and say that two of the men who came from Milwaukee this morning joined the union force as soon as the committee who met them at the depot explained how the land lay.

OUR LOCAL FISHERIES.

The Supply of Food Fish in Our Inland Lakes and Rivers.

Some Timely Hints Showing How the Supply Can be Increased.

To the Editor.

You ask for my opinion of assembly bills 300 and 301 A, the sum and substance of which is the prohibition of fishing during the winter season in the inland waters of the state. I find that the bill is introduced by a Mr. Kizer and if not misinformed Mr. Kizer represents Whitewater and vicinity. In your issue of the 13th inst. you copy an article from the Whitewater Register in regard to the fishing at Lake Koshkonong this winter. According to the Register it appears that the Whitewater man has been "staggered" by the fact that from 25 to 30 thousand pounds of good, nice, wholesome fish have been taken out of Koshkonong in little less than two months, and that wagon loads of fish have been sold within a radius of fifteen miles of the lake. Of course, as soon as the man receives from this staggering blow to his game and fish protection ideas he proceeds to "fix it" by trying to secure the passage of a bill. Well, let me see, some twenty-five to thirty thousand pound of nice fish have been sold to the surrounding towns and country, furnishing good and reasonably cheap food and at the low estimate of \$100 per ton amounting in value to twelve or fifteen hundred dollars.

WRECKED THE SLEIGH.

A LOAD OF WOOD SCATTERED BY A SWIFTLY MOVING TRAIN.

The Milwaukee & St. Paul train from Milwaukee to Janesville wrecked a loaded sleigh very effectively yesterday afternoon. The sleigh was filled with wood and stuck while half way over a crossing the horses being unable to move it. The driver saw the train approaching and hastened to unhitch the team, before the train should reach the crossing. He did not succeed however, and the train, running at the rate of 40 miles an hour, dashed into the load, scattering the wood here and there for a long distance. The horses broke loose and ran and escaped unhurt. The man was thrown some distance but received no injuries. The sleigh and engine only were injured. The cow catcher was badly scarred up and the piece of iron in front on which was the number of the engine. The train was running at such a high speed that it could not be stopped in time to avoid the accident.

DRIVEN FROM HOME.

A PLAY WITH AN IMPRESSIVE MORAL AND A PLOT OF ABSORBING INTEREST.

The W. H. Sargent Post No. 20, G. A. R. have secured the services of Mr. and Mrs. Harry C. Chapman, of New York, to produce their beautiful society drama, entitled "Driven From Home." They will be supported by the best local talent of this city. This will be the amateur event of the season, over forty people being included in the cast. The entertainment is not a musical or mixed bill, but a society play in four acts, and a prologue, and requires much new scenery to place it on the stage. It is one of those charming sermons one often hears from the stage—one of those plays one never forgets—and has a moral evident to all. The comedy element is very amusing, and is carried through the play by several characters. The dates selected for this production are March 8th and 9th, at Lippin's opera house. The popular prices will prevail.

For tickets and full particulars regarding rates and dates on which excursions will start, apply to Agents of the Chicago & Northwestern Railway.

"TWO NOT ONE."

THE GRANGERS IN COUNCIL.

The Janesville Grangers Assemble and Discuss Important Questions.

The Resolutions Adopted and Ordered Printed for the Good of the Order.

The following is a synopsis of the proceedings of a meeting of Rock county farmers held at Janesville Grange hall.

The hall was well filled with farmers from different parts of the county, to discuss matters of importance and pass resolutions to be presented to the legislature.

The meeting was called to order by Miss Rice, Music by the choir. Prayer by Rev. N. Wardner.

First was a resolution requesting our legislators to work against the passage of bill No. 58 (A) which provides for the appointment of a board of seven physicians to examine persons before they can commence the practice of medicine in the state.

The chair appointed Mr. A. Broughton, L. T. Rogers and A. E. Wilcox committee on programme for the afternoon session.

The meeting adjourned until 1:30 o'clock for dinner, and every body was invited to the dining room before to partake of the beautiful repast prepared by the ladies.

Called to order by Chairman Rice at 1:30. Music. The first on the programme was a resolution that we favor the Australian system of voting, which was adopted.

2. That we request our member to work for a county local option law.

3. That we recommend the passage of a law similar to the California law.

4. The town free high school bill was discussed and approved.

5. A resolution was adopted favoring the returning to the town superintendent system or have the present law amended, so as to require the district board to visit the schools, and report to the county superintendent when he visits the schools once each term.

6. That we urge our present legislature to pass a law to prevent the formation of trusts in the state.

7. A resolution favoring the mixed system of caring for the poor of Rock county was adopted.

8. A resolution favoring the election of post masters by a direct vote of the people was adopted.

9. A motion favoring the Taylor railroad bill was lost, owing to its commissioner's feature—but was inferior of the reduction of the passenger fare to two cents per mile.

10. A resolution objecting to congress reducing letter postage to one cent, but favoring the extension of the free delivery system into the country as profitable, was adopted.

At the second meeting at grange hall the following bills were under discussion, and the legislative committee instructed to work for their passage or defeat as the case might be:

1. Bill under consideration was No. 108 (A). To amend chapter 36 of revised statutes, of county boards. Moved to oppose the passage.

2. We favor bill No. 115 (S) except the appointment of the railroad commissioners, but have the legislature fix the rates and tariff.

3. We favor the passage of a county local option law.

4. Was laid on the table for future reference.

5. That we object to the raising of the salaries of the supreme judges to \$5,000.

6. That we favor the passage of a law to regulate the assessment of notes, mortgages and other valuable papers.

7. That we favor the resolution offered by Mr. Pettibone, asking the board of regents of the state university to furnish an itemized statement of the disposal of the farm institute fund.

8. That we favor the passage of the bill introduced by Mr. Tarrant to appropriate two thousand dollars to the State Grange of Wisconsin to be used through the executive committee, to hold practical farmers' institutes in the state.

9. That we do not favor the passage of Bill No. 129 (S) providing for a summer school for teachers, with appropriation.

10. That we are opposed to the passage of Bill No. 129 (S) to provide for the erection of a soldiers' memorial hall, as an ornament to the city of Madison.

11. That we do not approve of the legislature expending public money for the purchasing of state fair grounds at or near Milwaukee or any other place.

12. That we are opposed to the legislature appropriating \$85,000 to Science Hall.

13. That we request the board of supervisors to ascertain the time Superintendent Thom has been absent from the county on institute work, neglecting his schools.

By a vote the secretary was requested to have the proceedings of these meetings published in the county papers.

E. G. POUND, Secretary.

Resolved, by this meeting, that in our opinion it would be better that the state board of charities should be abolished. On motion the resolution was adopted.

E. G. POUND, Secretary.

The regular quarterly meeting of the Rock County Pomona Grange will be held at LaPrairie Grange hall on Wednesday, March 6th, 1889, at 10 o'clock a. m. The afternoon session will be open to the public. We would like to have the farmers and others all come in and help discuss some of the important bills that will be before the legislature.

MILES RICE, Master.

THE SWING SOCIETY.

TRINITY CHURCH LADIES ENTERTAINING THE PUBLIC AT CANNON'S HALL.

The supper given by the Swing Society of Trinity church parish last evening at Cannon's hall, was attended by a very large number of people, nearly four hundred ladies and gentlemen being present during the evening. The supper which was of the best, was served from 5 to 9 o'clock. Will E. Evenson, of Prentice & Evenson, druggists, was the lucky purchaser of a fine silk robe, the purchase price being twenty dollars at the auction sale. A handsome quilt was knocked down to Mrs. B. Spence, 622 Pleasant street, for ten dollars. There were other sales which netted the society handsome sums, besides the fish pond which proved an attractive feature of the evening. The ladies are entitled to much credit for the excellent supper furnished and none more so than Mrs. B. Spence, who furnished one of the tables alone besides assisting in many other of the busy details of the entertainment.

At seven o'clock this morning the thermometer indicated 20 degrees above zero. Cloudy with northeast wind. At one o'clock p. m. the register was 36 degrees above zero. Cloudy with east wind. For the corresponding hours one year ago the register was 3 degrees below and 10 degrees above zero.

THE WEATHER.

The ground hog noisily hied in his hole. Outside there's storm and snow. The ground hog does not care a cuss—He says, "I told you so."

The ground hog smiles a childlike smile, And rubs his back in bliss; He sends the Weather Bureau word: "Say, Greely, how is this?"

Then Greely goes into his hole, And shuts it with a slam. And what he says about the Hog, Raynes well with him and jam, &c. (Washington Correspondent.)

OBITUARY.

MRS. ARMITA STEVEN.

Died at the residence of her son-in-law and daughter Mr. and Mrs. F. A. Williams, Williams Bay, Wis., Feb. 16, Mrs. Armita Stevens, relict of Thos. Stevens. If she had lived until March 23d, she would have been ninety years old. She was born in Ft. Ann, Washington county, New York, in the closing years of the last century. George Washington was then living; John Adams the 24 president of the United States was serving his first year of office, and the year of her birth. She was ten years old when Robert Fulton's first steamer ascended the Hudson, and eleven when the first railway was built in America. Of eleven children five are still living. Mr. C. W. Boynton, of Emerald Grove, Mrs. J. B. Tracy, of Milton; Mrs. Baker, of Elgin, Ill.; and Mrs. Williams, of Williams Bay, and V. Stevens, of Minnesota. She was also a sister of Mrs. C. W. Boynton of Bradford. She emigrated with her family to Wisconsin in 1846 and settled on a farm near Emerald Grove. After some years residence in Missouri and Kansas, leaving her husband in the latter place, she returned to Wisconsin where her home has been ever since with her daughters. She united with the Baptist church in 1824 at Ft. Ann, and in 1860 united with the Congregational church of Emerald Grove. During the pastorate of Rev. O. P. Curtis, Mrs. Stevens was a remarkable woman in many respects. She was endowed with a very cheerful temperament, and was always in good spirits, with plenty of word for all. She retained her faculties to a wonderful degree up to the time of her death, particularly her memory, so as to render her an interesting companion for young and old. The crowning feature of her life was her piety, genuine, pure and simple yet strong faith. The bible and hymn book were her constant companions and she had her closet for daily prayers. She had
